

communicated to students and teachers online within secure networks whether they were on the

(a) works which have a commercial existence and use

Primarily licence terms agreed by the educational establishment should govern onward

## **SECURE ENVIRONMENTS**

**16. What consequences would such an amendment have on rights holders?**

**17. What benefits would there be for educators?**

If the issues raised in response to question 16 are taken into account, relevant benefits to educators would ensue, without detriment to rights owners.

Since its incorporation nearly 10 years ago, BEC
